Canara High School Association

**Subject: Request for Approval to Procure 10 Staff Chairs**

Respected Sir,

We request your kind permission to procure 10 staff chairs for CEC. At present, we do not have any chairs in stock. All the available chairs, including those transferred from CHSA, have already been repaired and are currently in use. With the increasing staff strength and no additional seating available, there is an urgent requirement to provide proper furniture.

We kindly seek your approval to proceed with the necessary procurement at the earliest.

Request for approval

Yours sincerely
