To,

Principal  
Canara Engineering College  
Benjanapadav

Through,

Dean  
Administration  
Canara Engineering College  
Benjanapadav

Respected Sir,

**Subject:** Request for Approval for Installation of Chequered Plate over Open Trench in Hostel DG Yard

I would like to bring to your attention a safety concern at the hostel DG yard area. The old DG set and its associated control panel have been dismantled following the installation of a new DG to meet the increased power demand. However, during this dismantling process, a trench has been left open in the area where the old panel was located. This open trench poses a serious risk to personnel and others moving through the area, especially during low-light conditions or emergencies. I kindly request your approval for the installation of a chequered (chakkar) plate over the open trench.  
Estimated cost Rs 34564/- +GST

Thanking you

Yours's Sincerely

*P. Telles*
