**Subject:** Submission of Report and Estimated Bill for Urgent Civil Works Completed in Campus

Respected Sir,

This is to bring to your kind notice that certain urgent works had to be carried out in the CEC campus to ensure smooth functioning of academic and hostel activities.

1. In the **Physics and Chemistry laboratories**, several floor tiles had come up due to unknown reasons, making it very difficult to conduct practical classes. Immediate repair work was necessary to avoid inconvenience to students and faculty.
2. On the **rooftop**, essential civil repair works were carried out to ensure safety and stability.
3. In the **hostel premises**, some drainage lines were found to be very dirty and unhygienic. These were thoroughly cleaned with the help of civil laborers to maintain a healthy environment for the resident students.

We have attached some photographs of the completed works for your kind reference. The **estimated bill** for the above-mentioned works is also enclosed along with this letter.

We request you to kindly acknowledge the same and take necessary action at the earliest.

Thanking you,

Yours faithfully,

Sadashiva Acharya  
Campus Manager,
