Subject: Request for Replacement of Non-Functional Geysers in 4G Hostel

Sir,

This is to bring to your attention that both geysers in the 4G hostel — one on the first floor and one on the ground floor — are not working. The maintenance team has inspected them and informed us that they cannot be repaired.

Due to this, the students residing in the hostel are facing a lot of inconvenience, especially during early mornings and colder days. We kindly request you to arrange for the installation of two new geysers at the earliest to resolve this issue.

Thank you,

Sincerely,
Meera
