Respected Sir,

**Subject:** Request for Purchase Approval – Toilet Operated Materials for Stock Purpose

I am writing to request approval for the purchase of Toilet Operated Materials (TOM) required for maintaining adequate stock in the college and hostel maintenance department. These items are essential for attending to routine plumbing repairs and emergency maintenance work in washrooms, bathrooms, and other sanitation areas. Maintaining sufficient stock will help avoid delays in service and ensure smooth operations.

Thanking you

Yours's Sincerely
