Dear Sir,

Subject: Request for Conducting the Pest Control Activities in the Hostel Premises.

I humbly request your kind approval to carry out pest control activities within the hostel premises. The last pest control was conducted in October 2024. Considering the upcoming Deepawali holidays, during which most students and faculty members will be on leave, this period would be ideal for undertaking the activity with minimal disturbance.

As a preventive measure, this initiative will help maintain cleanliness, hygiene, and a safe environment for both students and staff upon their return.

I therefore request your approval to carry out the maintenance work during the holidays.

Thank you very much for your consideration and continued support.

Sincerely,

Chief Hostel Warden
