Respected Sir,

Sub: Request for Renewal of Turnitin Account (Plagiarism Checker Tool) – Reg.

With reference to the above, I would like to request the renewal of our Turnitin plagiarism checker account. This tool is essential for verifying the originality of scientific documents, including research articles, project reports, theses, and assignments generated by both students and faculty members.

During the academic year 2024-25, Turnitin was utilized by faculty members to check over 267 papers. The renewal of this account is essential to continue supporting our research scholars and students in their academic endeavors.

The annual subscription fee for renewing the Turnitin account through a third-party provider is **Rupees 20,000/-** approximately. Renewing this account under the college's official email ID will enable all faculty and students to efficiently validate their work for originality before submission to any public organization, such as publishers or universities.

I kindly request you to approve the same.

Thanking you,
Yours faithfully,

15.10.25

Forwarded with recommendation for the appeal

Turnitin is a very necessary tool for all research community to check plagiarism before submission of any article for publication.

Currently CCE is managing this process with a third party account due to the cost involved

The same may be renewed for this academic year also
