Respected Sir,

Sub: Request for 3no. Water Heater Purchase Approval

A complaint was received from Boys and girls hostel warden regarding a non-functional water heater. Our in-house electrician checked the power and tripping mechanisms and observed that the heating coil was not working. After registering a complaint, a V-Guard customer care service person confirmed the coil failure but also advised against replacing it, citing internal tank leakage that would be exacerbated by the replacement process due to the tank's weakened condition. We, therefore, kindly request your approval for the purchase of three (3) new water heaters and the scrapping of the old, irreparably damaged units.

Estimated cost is Rs 52500 /-

Thanking you,

Yours Sincerely

Prajwal Tellis
