To:

The Dean Administration
Canara Engineering College
Benjanapadavu

Respected Sir,

Subject: Request for Servicing of Floor Cleaning Machine

The floor cleaning machine in our college is being used continuously for day-to-day floor cleaning activities on the campus and also occasionally for work in Mangalore institutions. Due to regular usage, the machine has developed several operational issues and is not functioning efficiently.

To assess the condition of the equipment, we contacted a technician from *Water wing Technology*. The technician inspected the machine and provided an estimate for the required repairs and servicing. The cost estimate is attached herewith for your kind perusal.

In this regard, I kindly request you to approve the servicing and repair of the floor cleaning machine at the earliest, so that regular cleaning activities can continue without interruption.

Thanking you.

Yours faithfully,

3/12/25
Campus Manager.

forwarded for approval.

Anil Kumar J.

The machine is widely used in majority of all our campus.

approved
