Sub: Request for Allotment of Anti-Virus Software for Examination Section Devices.

We would like to formally request the allocation of Anti-Virus Software for the devices in the Examination Section. There are currently four PCs in the section, and we require four licenses of the Anti-Virus software to ensure the security and integrity of all examination records and data. These resources are crucial for maintaining the confidentiality and protection of sensitive information. We kindly request your approval to proceed with the purchase and allotment at the earliest convenience.

Thanking you

Yours faithfully,

Controller of Examinations (COE)
