From,

Dr. Niranjana Rai
HOD(i/c), Mechanical Engineering
Canara Engineering College

To,

The Principal
Canara Engineering College

Respected sir,

Subject: Request for Servicing of Mechanical Lab equipment's for AY 2026-27 (for first year and Second year)

In order to refurbish the labs of first- and second-year mechanical engineering, we have contacted 3 vendors and obtained the quotation from them for servicing and calibration of equipment of labs.

We have prepared the comparative statement for further reference. In this regard we would like to bring to your information that, M/s Satyam Engineering was earlier associated with our department in doing the servicing and their work was to the satisfactory standards. Other vendors are new to us and their work standards are yet to be evaluated.

I request you kindly permit us to call for the servicing and calibration of the equipment from the appropriate vendor at the earliest. Further, I would like to inform that during servicing if any of the parts are old and depleted, we may have to replace with new parts which will surface only during servicing.

Kindly do the needful.

Thanking you

Yours sincerely

[Signature]
