The correspondent
CHSA, Mangalore.

Dear Sir,

Subject: Request for Interactive Panel.

With respect to the above, we require 2 nos of Interactive panel with camera for Conference room and Discussion room. The earlier purchase order was cancelled due to the **non-functioning/non-working of the supplied materials**. Therefore, a fresh request is being submitted for the procurement of suitable Interactive Panels with Camera to meet the requirements of the respective rooms. The cancelled PO copy is attached for your reference.

The quotation of new panel attached for your reference. The total cost is 271,400/-

We request you to kindly do the needful.

H. Nagesh Shenoy

CHSA

Subject: Request for Cancellation of PO Ref No :CHSA/CEC/114/2026-2027 for TeachMintX 65 Neo and Approval for Procurement of Epson Power Board Pro Smart Screens

Respected Sir,

This is to bring to your kind notice that 2 Nos. TeachMintX 65 Neo supplied against PO Ref No :CHSA/CEC/114/2026-2027 were found to be faulty during installation.

Despite bringing the issue to the notice of the vendor, M/s. Emdees, and making repeated follow-ups, the issue has not been satisfactorily resolved. Further, proper service support/service engineers have not been made available by the vendor to address the technical issues.

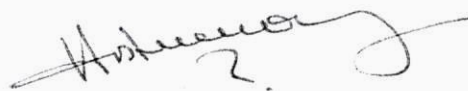

It was also discussed with M/s. Emdees regarding extending the warranty period of the supplied Smart TVs to 5 years, considering the nature of the equipment and the difficulties experienced in obtaining timely service. However, no confirmation or response regarding the proposed warranty extension has been received from the vendor till date.

Considering the above facts, particularly the **fault noticed during installation, inadequate service support, and lack of satisfactory response from the vendor**, it is felt that continuing with the present order may not be in the best interest of the institution.

In view of the above, I kindly request that approval may be accorded for:

1. **Cancellation of PO Ref No :CHSA/CEC/114/2026-2027** for the supply of 2 Nos. Teaching Smart TVs.
2. **Procurement of 2 Nos. Epson Smart Screens/Interactive Displays**, which have been in use at the institution for the past one year and have provided satisfactory performance.
3. Since the Epson Smart Screen does not have an in-built camera, approval may also be considered for procurement of 2 Nos. **suitable external cameras** along with the displays, wherever required, to facilitate online classes, meetings, presentations and other activities.
4. Necessary further guidelines may kindly be issued regarding the **cancellation of the existing PO, procurement procedure, and processing**

Yours faithfully,

Dr. H. Nagesh Shenoy
